UNITED FUND TOTAL JUMPS TO \$12,500

Contributions totaling \$7,300 were turned over to the local United Fund Monday evening at its second "report night" at the West St. Branch of the Gettysburg National Bank to bring the current total to \$12,500.

The amount is a little more than one-third of the goal of \$31,480 to support 12 organizations during the coming year.

Two more report nights are scheduled during the current campaign, one for next Monday night from 7 to 9 o'clock at the West St. Branch Bank and one for the following Monday night, October 14, at the same place.

United Fund President Henry T. Bream said the reports showed more than the \$12,500 has already been collected by the solicitors who are conducting a door-to-door canvass in Gettysburg and the immediate area surrounding the town, but the report was confined to the actual amount of money turned in by captains and solicitors so far.

The current campaign is designed to raise \$8,300 for the Adams County Red Cross; \$5,000 for the Adams County Public Library; \$5,000 for the Boy Scouts; \$3,500 for the Girl Scouts; \$3,500 for the YWCA; \$1,000 for the Civic Nurse association; \$1,200 for cerebral palsy; \$232 for Pennsylvania United Fund; \$100 for Pennsylvania Mental Health Association; \$100 for the USO and \$50 for the National Travelers Aid, plus \$3,500 to cover campaign costs and contingency fund.

Under the United Fund plan the contingency fund is designed to help meet any extraordinary expenses that might occur during the year on the part of any of the organizations participating. As a result the amounts allocated are based upon financial reports presented by the supported organizations, representing only the actual amount necessary for the units to continue their services as they have in the past.

BOROUGH AND TOWNSHIPS TO GET TAX FUNDS

Boroughs and townships in Adams County will share this week in the distribution of the largest amount of money ever returned by the state government to local municipalities from liquid fuel tax funds.

Governor Scranton said that local government will receive \$10.2 millions for road and street maintenance. This amount brings the 1963 payments to a record \$39.6 million. Last year the total was \$37.2 million.

Adams County municipalities will receive a total of \$85,252.56 with \$73,631.02 of it going to 21 townships and \$11,621.54 to a dozen boroughs.

USES ARE RESTRICTED

Payments to municipalities are based on the volume of liquid fuel taxes collected in each community during the year.

Governor Scranton said, "This is another instance in which payments to local government by the state government makes it possible for Pennsylvania communities to have lower taxes than would otherwise be necessary. It further underlines the financial partnership that exists between the state government and local governments."

Report Ben Bella's Army Deserting To Ou El Hadj In A "Decisive Struggle"

By ANDREW BOROWIEC

ALGIERS (AP)—Units of the Algerian army today began joining the dissident troops of rebellious Col. Mohamed Ou El Hadj. The colonel called for a decisive fight against President Ahmed Ben Bella's government.

A government officer in Tizi Ouzou, capital of the Berber area of Kabylie which is the nerve center of the revolt, said most noncommissioned officers and men in the area have deserted. Informants in Tizi Ouzou said all was quiet in the city and virtually all troops disappeared from the streets.

Small convoys were seen heading toward the mountains where Ou El Hadj has been organizing his stronghold.

APPEALS TO ARMY

Ou El Hadj called on officers and men of his 7th Military Region "to join us in our combat." The time has come to engage in a decisive struggle against the dictatorial regime," the appeal

Migrant Workers To Receive Vaccine

The second and final dose of tri-valent polio vaccine will be given to the migrant laborers and their families Sunday afternoon from 2 to 4 o'clock at the Breeze-wood Camp near Bendersville. The clinic will be under the direction of Dr. Robert Lefevre, physician for the migrants' medical program. Approximately 500 county migrants received the first dose at a clinic held eight weeks ago and are expected to receive the second dose Sunday.

"DESPONDENT" DRIVER NABBED ON 3 CHARGES

Russell Lloyd, 54, York, was placed in the county jail on charges of driving while under the influence and hit and run driving Monday night after an accident two miles north of here on the Mummansburg Rd.

State police said Lloyd was driving south when his station wagon struck a northbound sedan operated by James Christian Shank, 16, Gettysburg R. 3, causing \$100 damage to Lloyd's vehicle and \$150 to Shank's car.

Police said Lloyd failed to halt after the accident and continued toward Gettysburg.

He was apprehended by Gettysburg College Policeman L. C. Hamme, who summoned Gettysburg police to assist. Lloyd was taken to the jail by the borough officers.

WAS "DESPONDENT"

Borough police brought a driving while under the influence charge against Lloyd before Justice of the Peace Robert P. Snyder while state police brought a charge of hit and run against Lloyd before Justice of the Peace John Whitman.

The York man entered pleas of guilty to the charge of hit and run at a hearing before Justice Whitman this morning. In default of \$500 bail he was recommitted to jail. In addition he was charged before the justice by state police with failing to yield one-half the highway and entered a guilty plea to that charge on which a fine of \$10 and costs were levied.

Lloyd told the justice that he had recently purchased an artificial flower business and finding it less profitable than he had anticipated became despondent, purchased a fifth of whiskey and began drinking. He told the justice he was glad no one had been injured in the accident.

INVITE ROTARY TO DINNER FOR AMBASSADOR

Gettysburg's Rotary Club Monday evening received an invitation to join the Kiwanis Club in a dinner for the ambassador from Mexico, Antonio Carrillo Flores, to be held by the Kiwanians October 21 at 6:30 p.m. at the Hotel Gettysburg.

According to the invitation from Charles W. Pentz, president of the Kiwanis Club, the dinner is being held in the form of a ladies' night to honor the Mexican ambassador and to hear him speak as part of the program of Kiwanis for better international relations. The Rotarians were asked to make their reservations for the dinner by October 16 with Donald G. Weaver, treasurer of the Kiwanis Club.

Since the meeting will fall on the same night as Rotary's regular session the board was to arrange for credit for attendance by those members attending the Kiwanis function.

SEE PAGEANT SLIDES

Three members of the Rotary were honored on their birthdays this month: Dr. Roy Gifford, Calvin Shank and John Reimer.

Vice President William Harbaugh announced that the West Shore Rotary Club will mark its 25th anniversary with a program October 31 at 6:30 p.m. in Zembo Mosque, Harrisburg, and that members of the local club planning to attend should let him know by next week.

Walter B. Lane showed slides made by Andrew Larson of the recent "Living History" pageant held by the Travel Council on the county grounds between WGET and the Eisenhower School. G. Henry Roth narrated the pictures, telling of the different units and the type of program presented.

The president, Rev. Robert MacAskill, presided. Group singing was led by Gerald Hagemyer, accompanied at the piano by Dr. Kenneth Smoke.

OLIVER MILLER, FORMER GUIDE, EXPIRES AT 94

Oliver Joseph Miller, 94, formerly of the Stone Jug area, Biglerville R. 1, died Monday afternoon at 12:45 o'clock at the Lebanon Veterans' Hospital where he had been a patient for about eight years.

He had served in the Army in 1895, being discharged for medical reasons after having been injured by a mule. For many years he was a battlefield guide.

A native of Carroll County, Mr. Miller was born May 3, 1869.

Surviving are his wife, the former Lillie B. Kauffman, who has been residing with a daughter in Carlisle during the hospitalization of her husband; the following children: George E. Miller, Washington, D. C.; Howard M. Miller, Mesa, Ariz.; Daniel P. Miller, Gettysburg; Frank Raymond Miller, York; Mrs. O. Ruth McKinney, Carlisle; and Mrs. Gladys L. Funeral services Thursday afternoon at 2 o'clock from the Peters Funeral Home, Carlisle St., with the Rev. John S. Bishop officiating. Interment in Evergreen Cemetery. Friends may call at the funeral home Wednesday evening from 7 to 9 o'clock. In lieu of flowers it is suggested that contributions be made to the heart fund.

RCA Launches 1964 Campaign

RCA launched its 1964 advertising campaign Sunday with an eight-page supplement in which it announced the new color and black and white television models, stereo, radio and tape recorder lines in 21 Sunday newspapers from coast-to-coast.

The campaign is duplicated in part in Gettysburg with a display of RCA products at Baker's Battery Service, Baltimore St., opposite the post office. A display advertisement in today's Times lists the numerous models and styles available to local customers at Baker's.

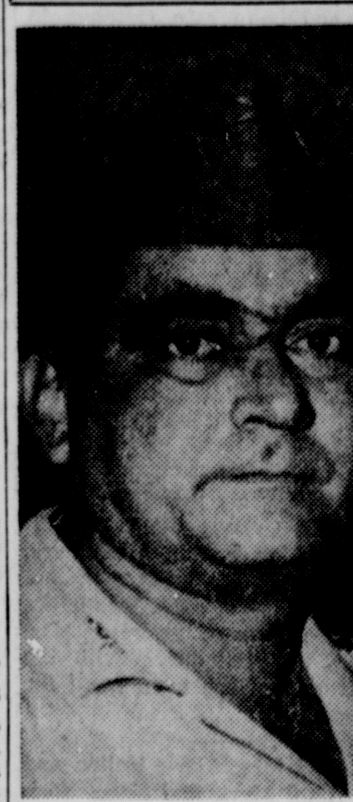

The Sunday supplement in metropolitan newspapers had a circulation of 33,000,000 copies, according to RCA, who described the campaign as "equal to 400 railroad cars of papers."

HISTORIANS OF STATE TO MEET HERE IN OCT.

The Pennsylvania Historical Association will hold its 32nd annual meeting October 11, 12 at Gettysburg College.

A report on the work of the Pennsylvania Civil War Centennial Commission will be made by Louis M. Simon, executive secretary.

Authors of papers to be presented during the meeting include history professors, Edwin B. Codrington, Lafayette College; Warren W. Hausler Jr., Pennsylvania State University; J. Cutler Andrews, Chatham College; and Eugene A. Barrett, board of public education, Philadelphia.

Wood Gray, author and professor of American history, George Washington University, will speak on "The Hidden Civil War in Pennsylvania" at the annual dinner Friday evening.

"Protection, Politics and Pennsylvania" will be the topic of an address at the Saturday luncheon by James A. Barnes, Temple University professor of history and president of the association.

A lecture Saturday afternoon on "The Battle of Gettysburg" by Harry W. Pfanz, Gettysburg National Military Park historian, and a conducted tour of the battlefield will conclude the two-day meeting.

Other participants include John A. Carpenter, Washington and Jefferson College; Frederic S. Klein, Franklin and Marshall College; President C. A. Hanson, Robert L. Bloom, Charles H. Glatfelter, Harold A. Dunkelberger and the Rev. John W. Vandersall, all of Gettysburg College, and the Rev. Norman S. Wolf, local retired clergyman.

The arrangements committee includes: Charles H. Glatfelter, chairman, Bruce W. Bugbee, William C. Darrah, J. Melchior Sheads and Frederick Tilberg. The Adams County Historical Society is co-host with the college for the meeting.

Briton Gives Nod To Red Request For Meeting Of 18 Nations On Disarmament

By TOM HOGE

UNITED NATIONS, N.Y. (AP)—British Foreign Secretary Lord Home gave guarded approval today to the Soviet Union's proposal for an 18-nation summit meeting on disarmament before June 30.

Home warned, however, in a speech before the U.N. General Assembly that a number of clear directives would have to be drafted in advance if such a meeting is to have any value.

Key points that should be agreed upon, he said, are non-dissemination of information about the making and use of nuclear weapons, stationing of observers to guard against surprise attack and progress toward abolition of nuclear delivery vehicles.

DISCUSS PROSPECTS

"My government will gladly join in any preliminary discussions which in turn could lead to such a meeting as Mr. Gromyko (Soviet Foreign Minister Andrei Gromyko) described, and give it a better chance of showing results," Home said.

He blamed the "deep schism in ideology between the Communist world and the rest" for the "com-

DAR Chapter Will Visit Old Church

The first fall meeting of the Gettysburg chapter of the Daughters of the American Revolution will be held Friday afternoon in the Great Conewago Presbyterian Church at Hunterstown following a luncheon to be served at 12:30 p.m. in the church chapel.

The history of the congregation which was formed 223 years ago and the old stone church erected in 1787 will be related by Miss Ruth A. McIlhenny, Gettysburg.

DAR members in need of transportation to the meeting are asked to notify Mrs. Kenneth P. Hull. Hostesses for the meeting will include: Mrs. John MacPhail, Mrs. Clarence Smith, Miss Elsie Eisenhart, Mrs. Charles Drum, Mrs. Walter Danforth, Mrs. John Zinn, Mrs. I. Z. Musselman, Mrs. O. H. Benson, Mrs. Frank Clutz, Mrs. D. C. Jeffreys, Mrs. Albert Partner, Mrs. Wilmer Gross, Mrs. Roy Brumbaugh, Mrs. Richard Bragdon and Miss Elizabeth Hoke.

56 PUPILS AT PRESCHOOL DEVOTIONS

Fifty-six school children in the Fairfield area this morning attended the religious devotions sponsored by the Fairfield Ministerium in the Mennonite Church there. The first devotions Monday were attended by 26 pupils.

Rev. Otto Kroeger, pastor of Zion Lutheran Church, in charge of this morning's devotions, read the scripture and commented briefly on the passage, offered a prayer and led the group in the Lord's Prayer, after which he pronounced the benediction. The entire exercise lasted about six minutes.

Monday's exercise was conducted by Rev. Gerhard Klaassen, pastor of the Mennonite Church. Ministers in the Fairfield area will alternate in leading the devotions, which are held at 8:10 o'clock daily.

Rev. Robert Paden of the United Church of Christ, supervised the street crossing for local pupils attending the devotions this morning. The church is across the highway from the school.

The Fairfield Ministerium inaugurated the brief devotional program for pupils in the school district to counter the Supreme Court decision banning Bible reading and prayer in the public schools. Members of the ministerium are encouraged by today's attendance and anticipate that the group will become considerably larger each day. Rev. Kroeger said.

Room For 28 More On Shenandoah Trip

The county extension home economist, Mrs. Helen Tunison, today announced that 28 more persons can be accepted for the fall homemakers trip to Shenandoah Valley October 16.

Reservations had been closed when the first bus was filled, but because so many additional reservations had been received a second bus has been secured, thus making it possible for 28 additional persons, who have not as yet made reservations, to take part in the trip. If the second bus is filled the group will number 115.

LIONS DONATE \$700 TO UNITED FUND MONDAY

The Gettysburg Lions delivered their check for \$700 to the current United Fund drive Monday evening after the clubmen had approved a list of payments to be made this year from their charity fund totaling \$2,025.

The largest single amount on the list is the \$700 payment to the United Fund. Next largest is a \$500 payment to the Warner Hospital. Another \$200 is earmarked for sight conservation work.

The budget was adopted on recommendation of Henry T. Bream, chairman of the club's finance committee, at the weekly dinner meeting at the Varsity Diner.

TO SELL BROOMS

Other payments to be made from the club's charity fund, which is to be replenished next Monday evening by a community-wide broom sale, include: Halloween, \$10; Salvation Army, \$25; Tot Lots' milk, \$20; fire company, \$25; Tuberculosis Society, \$25; muscular dystrophy, \$15; March of Dimes, \$25; heart fund, \$25; Easter Seals, \$25; eye bank, \$25; Little League, \$125; cancer fund, \$25, and \$255 in a contingency fund.

After their dinner meeting next Monday, teams of Lions will cover the community selling two sizes of brooms, wash cloths and tea towels to raise funds to replenish the charity fund.

The clubmen had an invitation from the Kiwanis Club to attend a Hotel Gettysburg dinner October 21 honoring the Mexican ambassador to the U.S.

TALK ON "BRAINWASHING"

The evening's program was presented by Senior High School Principal Charles Tressler, a member of the club, on "Brainwashing." It consisted principally of a recording of a talk by Col. William E. Mayer on the methods used by the Chinese Reds to brainwash U. S. prisoners who had been captured in Korea.

The recorded talk warned about American lethargy toward national defense and communism and described indoctrination of attitudes as the primary weapon of the Communists. Mayer said four out of 10 U. S. soldiers captured (Continued On Page 3)

Halloween Plans Will Be Completed

Gettysburg's Halloween program committee will meet Wednesday evening at 8 o'clock at the Youth Center, N. Washington St.

Officers have asked that all members of the committee, and all persons who are not currently members of the committees but who would like to assist in the conduct of the programs to be present at the session because nearly all final arrangements must be made Wednesday evening.

Tickets for the Queen Contest to be held October 29 at the high school as part of the festivities will be distributed to the committee members Wednesday night. Tickets have already been placed on sale at the high schools and some business places. The queen contest is held in addition to a solicitation for funds to help raise the money for the parade and other activities in connection with Halloween.

Stops Grants To Schools

RICHMOND, Va. (AP)—An associate justice of the U.S. Supreme Court has stopped state tuition grants for white children attending private segregated schools in Virginia's Prince Edward County.

In Washington Monday, Justice William J. Brennan Jr. granted a stay requested by Negroes of a U.S. 4th Circuit Court of Appeals decree which had opened legal channels for the grants.

He said the stay would remain in effect until the Supreme Court resolves this and other issues involved in an appeal of the Circuit Court decision. Counsel for the Negroes expect to file the appeal by October 15.

Last August the Circuit Court held that U.S. District Judge Oren R. Lewis had erred in ruling that public schools in Prince Edward County may not remain closed as long as free schools elsewhere in Virginia remain open.

YEAR ALMOST 9.5 IN. SHORT ON RAINFALL

The cool, dry month of September left 1963 almost 9 1/2 inches short of normal rainfall when last month fell short by 1.28 inches of getting the normal amount of rain for that 30-day period.

September was the seventh month this year to fall short on rainfall. So far this year the rainfall total, including melted snow, is only 22.95 inches. That is 9.41 inches below normal.

Last month was the driest September here since 1959 when only 1.21 inches of rain were measured. September in the last two years had come up with a surplus of rain.

FEW RAINY DAYS

September temperatures averaged 63.09 degrees which is 3.75 degrees below normal but warmer than September of last year which had set a 45-year record for chilly weather. The average daily high reading last month was 75.2 degrees and the daily low readings averaged 50.97 degrees. The range was from 89 degrees to a low of 30 degrees which set an all-time low mark for September weather here.

Measurable amounts of rain fell on only four days last month and almost all of the rain came last Sunday when showers totaled 1.76 inches.

The rainfall shortage here this year follows a dry year of 1962 which was almost five inches short of rain. The year 1961 was almost two inches short. In the last decade seven years have been below normal on rainfall and only three had surpluses.

In the last 10 years from 1953 to 1962 inclusive, the net shortage of rainfall was almost 16 inches.

Florist Tells Club Of Floral Arrangements

Miss Nancy George Monday evening demonstrated floral arrangements for churches and altars at a meeting of the Biglerville Garden Club which was attended by 67 members and guests in the social room of St. Paul's Lutheran Church, Riglerville. CHIEFS TO MEET

The Adams County Association of Fire Chiefs will meet Thursday evening at 8 o'clock at Monroeville. Secretary Eugene Burneville said final plans will be made at the meeting for participation by the fire companies of the area in the fire prevention program to be held here Sunday afternoon.

A council press office communiqué said 2,231 prelates voted for the schema, 43 voted against it, 3 voted for it "but with reservations," and 24 ballots were declared void because they were improperly marked. The required majority of the 2,301 fathers present and voting was 1,151.

Only a majority was required to put the schema before the council for discussion.

A two-thirds majority will be required for a final vote in plenary session, perhaps before the council's phase ends Dec. 4 or more likely in a session next year.

HOW IT OPERATES

The schema deals with the manner in which the Roman Catholic Church operates. Details are secret. However it is known to expand the role of bishops in sharing the Pope's authority.

BOOKMAKING CASE DROPPED IN COURT HERE

The Adams County court has given approval to dropping the charge of bookmaking against Miss Amelia Agnes Livelyberger, East Berlin.

District Attorney Daniel E. Teeter today filed the "nolle prosequi," officially dropping the charge against Miss Livelyberger on the grounds that investigation showed that there was insufficient evidence to support a conviction.

April 4 state police, armed with a warrant, searched Miss Livelyberger's car for evidence of bookmaking. They found none. She was then taken to the Adams County jail where a search was made of her person and evidence was found on which the bookmaking charge was placed.

Miss Livelyberger's attorneys, Robert Smith of York and Gerald Walmer of Gettysburg, asked the court to suppress the evidence obtained by "illegal search," citing the fourth amendment of the U.S. constitution which provides for the "freedom of the people in their persons, houses, papers and effects against unreasonable searches" and providing that such search can be made only by warrants granted "on probable cause, supported by oath or affirmation."

The district attorney said investigation showed a defect in that the warrant issued for the search pertained only to Miss Livelyberger's car and thus the evidence obtained in search of her person could not be used. Since no evidence was obtained by the search of the car, the other evidence could not be used. Search of a person without warrant is permitted when they are arrested in commission of a crime, it was noted, but in this case the question was simply one of search in connection with a search warrant.

REV. HARPER TO BE ORDAINED ON WEDNESDAY

Rev. Donald L. Harper, pastor of Memorial EUB Church here, will be ordained as an active itinerant elder at Wednesday evening's session of the 175th annual meeting of the Pennsylvania Conference of the Evangelical United Brethren Church being held Monday through Thursday at Mechanicsburg.

Bishop Herman W. Kaebnick will officiate at the ordination service.

A native of Hagerstown, Rev. Mr. Harper attended public schools in that city and upon graduation from Hagerstown High School became an assistant classified advertising manager for the Herald-Mail Publishing Co. of Hagerstown. With the beginning of the Korean War he entered the U.S. Air Force and served four years, including duty in England for three years.

MRS. KENNEDY OFF TO GREECE

WASHINGTON (AP) — Mrs. John F. Kennedy leaves today for a two-week vacation in Greece that will include a cruise in the Aegean and East Mediterranean seas on a yacht owned by shipping magnate Aristotle Onassis.

The First Lady is scheduled to depart for New York after she makes her first public appearance in two months, joining her husband in welcoming Ethiopian Emperor Haile Selassie at Union Station.

Later in the day, Mrs. Kennedy is scheduled to fly to New York aboard the family plane Caroline to catch a commercial jet airliner tonight for the flight from New York to Athens via Rome.

She is due to arrive in the Greek capital Wednesday afternoon.

OTHERS IN PARTY

Mrs. Kennedy will be accompanied on the trip by her brother-in-law and sister, Prince and Princess Stanislas Radziwill. The White House said Monday they obtained use of Christiana, a 303-foot yacht, from Onassis, a friend of theirs.

Asked whether Onassis would be aboard with Mrs. Kennedy, the First Lady's press secretary, Pamela Turnure said: "Not to my knowledge."

Mrs. Kennedy's headquarters while in Greece will be the seaside villa of another shipping magnate, Marcos Nomikos, at Cavouri Bay, 15 miles southeast of Athens. The First Lady stayed there in 1961 when she spent nine days in Greece.

BOOST STATE SCHOOL FUNDS

Adams County school districts will get about \$93,000 more in semiannual state subsidy payments this week than they did in similar payments a year ago, according to an announcement today by Governor William W. Scranton.

He said school districts across the state will average about 22 per cent more under the higher subsidy plan made possible by the increase in the sales tax rate to five per cent.

School districts in the county will get \$561,029.98 in the current subsidy payments. A year ago the same districts got \$468,027.98. The breakdown giving amounts for each district has not yet been made available.

The current payment are going to fourth class districts. First, second and third class districts will get their payments in November. The second of the semiannual payments will be made to all districts in the spring.

The sums are determined on the basis of complicated formulas which take into account teaching units, homebound instruction, closed schools, supplemental payments for joint and union school districts, extension education and recreation programs.

NO RED CARPET FOR GOVERNOR

PRINCETON, N. J. (AP)—When Mississippi's segregationist Gov. Ross Barnett arrives at Princeton University today he will find both the university and community welcome mats missing.

Barnett speaks tonight at the university as a guest of the Whig-Closiophic Society, an undergraduate debating club.

Also scheduled are an anti-Barnett campus rally and picketing by the National Association for the Advancement of Colored People.

When the society extended the invitation to Barnett, Princeton President Robert F. Goheen said the action was "intimely and ill considered."

Mayor Henry Patterson advised Princeton residents to ignore Barnett's visit.

Michael A. Pane IV, president of the Whig-Closiophic Society, said Barnett had been invited because of the society's wish to present various political opinions.

Gettysburg firemen were summoned at noon when a car operated by H. T. Burns, Hoffman Home, Littlestown R. D., caught fire on the first block of York. Damage was estimated at \$50.

13 HOTELS ARE STRUCK TODAY

PHILADELPHIA (AP)—About 2,000 employees struck 13 Philadelphia hotels and motels today when last minute contract talks failed.

The walkout started shortly after midnight.

Lawrence R. Stoltz, president of the Hotel, Motel and Club Employees Union, Local 568, walked from a conference room where negotiators met about midnight and said, "Put the line out."

A little later pickets carrying signs took up their place outside the hotels.

The hotels have said they will continue operations, but will cut back on some services. Earlier they said they would close restaurants and bars.

Wages were the chief stumbling blocks.

ASSIGNED TO MOUNT POST

Rt. Rev. Dr. Robert R. Kline, president of Mt. St. Mary's College, Emmitsburg, has announced the appointment of Martin T. Golibart, formerly of Baltimore, as the new director of development for the college.

Golibart was formerly manufacturers' agent for the Philip Carey Mfg. Co., Cincinnati, Ohio. He is a native of Frederick, and a recent graduate of Mt. St. Mary's College, class of 1957. He is married to the former Miss Chica Godbee, also from Frederick. They have one daughter, Helen.

Golibart succeeds Donald Alfano, who was associated with the Mount during the past year and who has taken a similar position with the University of Sudbury, Sudbury, Canada.

The Golibarts are residing in Emmitt Gardens.

Senate Approves \$450 Million Loan

WASHINGTON (AP)—The Senate has approved \$495 million more in loans for the Rural Electrification Administration, but it warned the REA to stop making loans for ski lift projects and other projects outside its jurisdiction.

The Senate acted Monday. The REA provides loans for farmer cooperatives to bring power and telephone services to rural areas.

Recently, congressional criticism was leveled at the REA for a \$110,000 loan to the Valley Rural Electric Cooperative in Huntingdon, Pa., which arranged to re-lend funds to the Blue Knox Development Corp., of Altoona, Pa. The money was loaned to help buy snow making equipment and ski lifts.

A similar loan last year in Illinois also drew congressional fire.

Judge Freedman In Line For New Post

PHILADELPHIA (AP)—Judge Abraham L. Freedman of U.S. District Court, a 58-year-old Philadelphia Democrat regarded by lawyers and jurists as one of the nation's top legal theoreticians, is in line for appointment to the U.S. Third Circuit Court of Appeals, according to authoritative sources.

According to the sources, President Kennedy will name Freedman to the post left vacant by the death in June 1962 of Herbert L. Goodrich, also a Philadelphiaan. The appointment is expected before the end of the year, possibly early next month.

If Freedman does get the appointment, a vacancy would be left on the district court bench. It was indicated this would also be filled before next year.

Kiwanians Told About Mexican Life

The most striking difference between Mexico and the United States is the absence there of an "average or happy middle class group in their society," William R. Swisher told members of the Gettysburg Kiwanis Club at their weekly dinner meeting Monday evening at the Lamp Post Tea Room.

Swisher, who is a member of the club, showed colored slides taken in Mexico showing modern life there in rural, village and urban communities. The primitive folkways and aristocratic culture were contrasted as were the plodding oxen in the fields and the modern cars on the Pan-American Highway.

The speaker said he found some Mexican people suspicious of the motives of tourists but most Mexicans were "exceedingly courteous and friendly."

"DID MY BEST," FIRED ORIOLE MANAGER SAYS

BALTIMORE (AP)—For Billy Hitchcock, the cause was harder to understand than the effect.

A man of fierce pride and determination, he accepted his dismissal as manager of the Baltimore Orioles without complaint—convinced he had done his best while acknowledging he may have fallen a bit short.

But he couldn't understand why a professional athlete, playing baseball for a living, had to be produced to produce a maximum effort.

"I've managed the way I played—to the best of my ability," Hitchcock said as the season ended its final week with his job in the balance.

On Sunday, after being told he would not be rehired for 1964—but before General Manager Lee MacPhail issued a public announcement—Hitchcock said: "It's the manager's job to make the players put out and produce, and I guess I didn't do it."

After finishing second in 1960 and third the following year, the Orioles dropped to seventh during Hitchcock's first season as manager and wound up fourth this year. Attendance has dropped to an all-time low.

MacPhail has offered Hitchcock a job as field director with the Orioles. He would assist MacPhail and farm director Harry Dalton scout and instruct at training camps.

LIONS DONATE

In Korea died of "give-up-itis" in the prison camps.

Mayer described the propaganda talks and methods used by the Reds in the "severe and most competent tyranny ever used on human beings" in the almost unguarded prison camps.

NO ESCAPE ATTEMPTS

The familiar lines of constantly telling the prisoners about the "exploitation of American labor by the imperialistic Wall St. warlords," the encouragement of prisoners to inform upon each other effectively avoided any organized efforts at "fighting back" or at escape, Mayer said.

The recording spoke also of the new "Code of Conduct" for U. S. military men and efforts of the U. S. to avoid any repetition of what happened to U. S. prisoners in North Korea.

The program chairman, M. P. Hartzell Jr., announced programs for upcoming meetings including a visit from the district governor October 14.

M. Hardy Nichols announced tickets are yet available for the Redskins football game the Lions will go to Washington by bus to see on October 13.

President Sterling Musselman presided at the meeting with a board of directors' meeting following the regular session.

"FINGER MAN" HELD IN JAIL

TOMS RIVER, N.J. (AP) — Frank Casino, reportedly named by Joseph Valachi as the "finger man" in a gangland slaying, was held in jail here for New York authorities.

Casino, 59, was arrested at his Beach Haven summer home Monday on a warrant accusing him of refusing to testify before a grand jury.

Dist. Atty. Frank D. O'Connor of Queens of New York City said Casino is suspected of having knowledge of the slaying of Anthony (Little Augie Pisano) Carfano, shot to death Sept. 25, 1959.

Casino was named in information given to the Justice Department by Valachi, a convict testifying before a Senate committee about the underworld organization known as Cosa Nostra.

O'Connor's office said it believed Casino's arrest was the first to result from information given by Valachi.

Casino was charged with criminal and civil contempt for refusing to testify Sept. 11 before a grand jury investigating the Pisano slaying.

Stressing the use of the proper vases and fresh materials, Miss George prepared four basic altar arrangements for the fall months and demonstrated methods of converting the arrangements to suit special occasions. Representatives of upper community churches were invited to attend the meeting.

The speaker opened her lecture with a fall arrangement in pastel autumn shades, followed by dried arrangements for the Thanksgiving season. She demonstrated the use of green and fall foliage for various occasions, and featured an arrangement of green foliage with three bronze mums for an altar vase.

"In altar arrangements," Miss George explained, "flowers should not extend above the cross. However, in the event that your church uses a small cross, the arrangement may be elevated if the cross remains the focal point."

XMAS DISPLAY

She created a white arrangement for Communion altars, and later converted it to a Christmas arrangement by adding red carnations and green holly and pine cones. Her basic arrangements were versatile and easily transformed to fit the needs of various churches and occasions. She urged over-night conditioning of flowers and foliage to be used in all arrangements.

Mrs. Earl Carey, president, opened the meeting with a "Gardener's Prayer," and Mrs. H. David Pitzer enumerated the Ten Commandments for garden club members.

Mrs. A. L. Leinart was program chairman.

Hostesses for the social hour which followed the demonstration were Mrs. Clair Shillito, Mrs. Henry Donahar, Mrs. Harold Bucher, Mrs. Robert Wentz and Mrs. Willis Weigle. The tables were decorated with fall flowers and antique pewter.

Receive Pipe For Emergency Line

The first truckload of eight-inch diameter pipes for construction of an emergency water line from the Bethlehem Cement, about three miles north of Hanover, to the filter plant of the Hanover Municipal Water Company, located along the Littlestown-Hanover Highway, arrived in Hanover Monday and was being unloaded near Centennial, along the South branch of Conewago Creek.

The 26,000-foot long line will follow the natural contour of the creek and its tributaries from the quarries to the filter plant where the water will be treated before entering the water mains.

The 20-foot long pipe sections, weighing about 200 pounds each, will be clamped together for the emergency line estimated to carry 700,000 gallons of water in a 24-hour period.

Edgar J. Masemer, water company manager, said no date has been set for completion of laying the pipe line, but that the construction progress probably could be gauged after several days' work.

BURY CRASH VICTIM

Funeral services for Carl David Thomas Jr., 18, Keymer, who was fatally hurt in an auto crash Saturday morning near Uniontown, Md., were held this afternoon at 2 o'clock at the C. O. BIGGEST PAY BOOST NEAR FOR MILITARY

WASHINGTON (AP)—The biggest military pay boost in history is expected to become law by nightfall. If it does, the nation's service men and women would start effective today to share in the \$1.2-billion annual increase.

Quick House approval was anticipated for the measure which cleared the Senate last Thursday. President Kennedy was expected to sign the bill as soon as it reaches the White House.

Pay boosts would average 14.4 per cent and range as high as \$120 monthly.

Even so, government officials said that thousands of low-ranking personnel probably would continue to seek charity or outside jobs.

The basic pay of recruits, for example, would go up only \$5 a month to a new scale of \$105 monthly. Counting subsistence and living quarters allowances, many of them would still end up with annual incomes of about \$2,400 a year.

Most of the increases would go to officers and enlisted personnel in the middle pay grades—those at points in their careers at which they face decisions on whether to continue in the military life.

A COMPROMISE

The bill is a compromise between earlier measures passed by the House and Senate. It would bring raises as high as \$120 a month for majors, lieutenant commanders, senior sergeants and chief petty officers.

Other increases include: captains and Navy lieutenants, \$115 a month; sergeant majors and equivalent ranks, \$55; corporals and their equivalent ranks, \$35.

The recruits, privates, corporals and sergeants, and corresponding Navy ranks, with more than two years service would get boosts ranging from \$15 to \$40 monthly.

In addition, men in combat areas like South Viet Nam would receive an extra \$55 a month and servicemen who must leave their dependents at home would receive \$30 a month more.

The increase would be the first in basic military pay since 1958. Reservists and National Guardsmen would share in the increases, getting more money for drills and training duty.

Glen Alden May Pump Mine Water

HARRISBURG (AP)—The Glen Alden Corp., Wilkes-Barre, was authorized Monday to continue pumping mine waters from selected locations into the north branch of the Susquehanna River.

The new schedule approved by the state Sanitary Water Board permits pumping at the firm's Delaware and Askam shafts to protect active workings nearby and at the Huber, Sugar Notch and Wanamie collieries.

The board also ordered Glen Alden to request permission before resuming pumping at Buttonwood and Hoyt, which was discontinued last October, and at Loree.

Health Secretary Charles L. Wilbur, who doubles as chairman of the board, said the new schedule meets requirements for a plan to reduce pollution of the river.

FACES CODE CHARGE

Earl W. Steninger, Lancaster, driver of a car which struck Goodell M. Sieber, 83, on Chambersburg St., Saturday night, has been charged by borough police with reckless driving and has been mailed a 10-day notice to appear before Justice of the Peace Robert P. Snyder.

Trimble, Ardentville, officiated. The pallbearers were nephews, Thomas, Terry and Ralph Culp, Jerry and Robert Grough and Harold Tuckey.

45TH WEDDING DAY MARKED

A surprise anniversary party was given in honor of the 45th wedding anniversary of Mr. and Mrs. James B. Baker, 1333 E. Walnut St., Hanover, Sunday afternoon in the K. of C. hall, York St., Hanover. Forty members of the immediate family were in attendance. A card shower was held in conjunction with the party and the couple received a large number of felicitations and gifts.

Mr. and Mrs. Baker were married September 30, 1918, in St. Vincent's Catholic Church, Hanover, by the Rev. Fr. William A. Howard. Their attendants were Miss Mary Baker, a sister of the groom, and William Hemler, a brother of the bride. The Misses Margaret and Lillian Pentz sang at the wedding, accompanied by Miss Marie Timmins.

Mr. and Mrs. Baker are the parents of seven children and have 30 grandchildren. Mrs. Baker recently retired from Sylvania Shoe Co., McSherrystown, and Mr. Baker is semiretired, working as an accountant for the Hanover Junk Co. He is presently the grand knight of Hanover Council 871, Knights of Columbus, and is the scribe of Father Cyril J. Allwein Assembly, Fourth Degree. They are members of St. Joseph's Catholic Church, Hanover.

Those attending were Mr. and Mrs. Bernard J. Baker and family, Springs Ave.; Mr. and Mrs. Alexander Kijek and family, New Oxford; Sgt. and Mrs. Rufus Malone and family, Ft. Holabird, Md.; Mr. and Mrs. Francis J. united ethnic group in Algeria. A call was issued for a mass demonstration of support to Ben Bella tonight in the Algiers Forum Square.

Ben Bella tried to electrify the lethargic masses by announcing that Moroccan troops were concentrating near the Algerian frontier. He said Morocco was backing the Berber revolt which broke out Sunday in the Kabylie Mountain region east of Algiers.

"FEAR NOTHING"

Speaking with emotion, the president said: "Moroccan soldiers of (King) Moulay Hassan are ten meters (yards) from the Algerian frontier. We know what it means. We fear nothing. We can defend ourselves."

Morocco has been demanding a portion of the Algerian-held Sahara and the relationship between the two governments has been stiff and frequently hostile. Ben Bella implied the purpose of the alleged concentration of Moroccan troops was to draw Algerian troops away from the Kabylie and to the frontier.

The president also announced his government has nationalized two more European-owned hotels and a vegetable oil factory in Algiers owned by a Moslem. He promised to seize all European farm property in several days; an obvious bid for support from the impoverished masses.

Calm was reported in the Berber bastion of Greater Kabylie, where small government troop convoys made tentative moves to establish garrisons.

RIFLE TEAM CHOSEN FOR GUARD UNIT

The county's National Guard unit, Howitzer Battery, 2nd Reconnaissance Squadron, 104th Armored Cavalry, Monday evening announced its rifle team as its drill in the armory on W. Confederate Ave.

Named as members are 1st Lt. James A. Orndorff, 2nd Lt. Calvin D. Manahan Jr., Officer Candidate Ronald Blocher, S-Sgt. Larry R. Mummert, S-Sgt. Robert L. Woodson, SFC Earl L. Stopper, Sgt. Donald W. McCauslin, Sp-4 Ronald J. Shindedecker, Pfc. Jay H. McKenrick and Pfc. Michael Redding.

Jackets are being made for the rifle team members, the battery was told, and trophies to be presented to the first three place winners within the unit were displayed. The unit winners will compete in squadron and regimental competition.

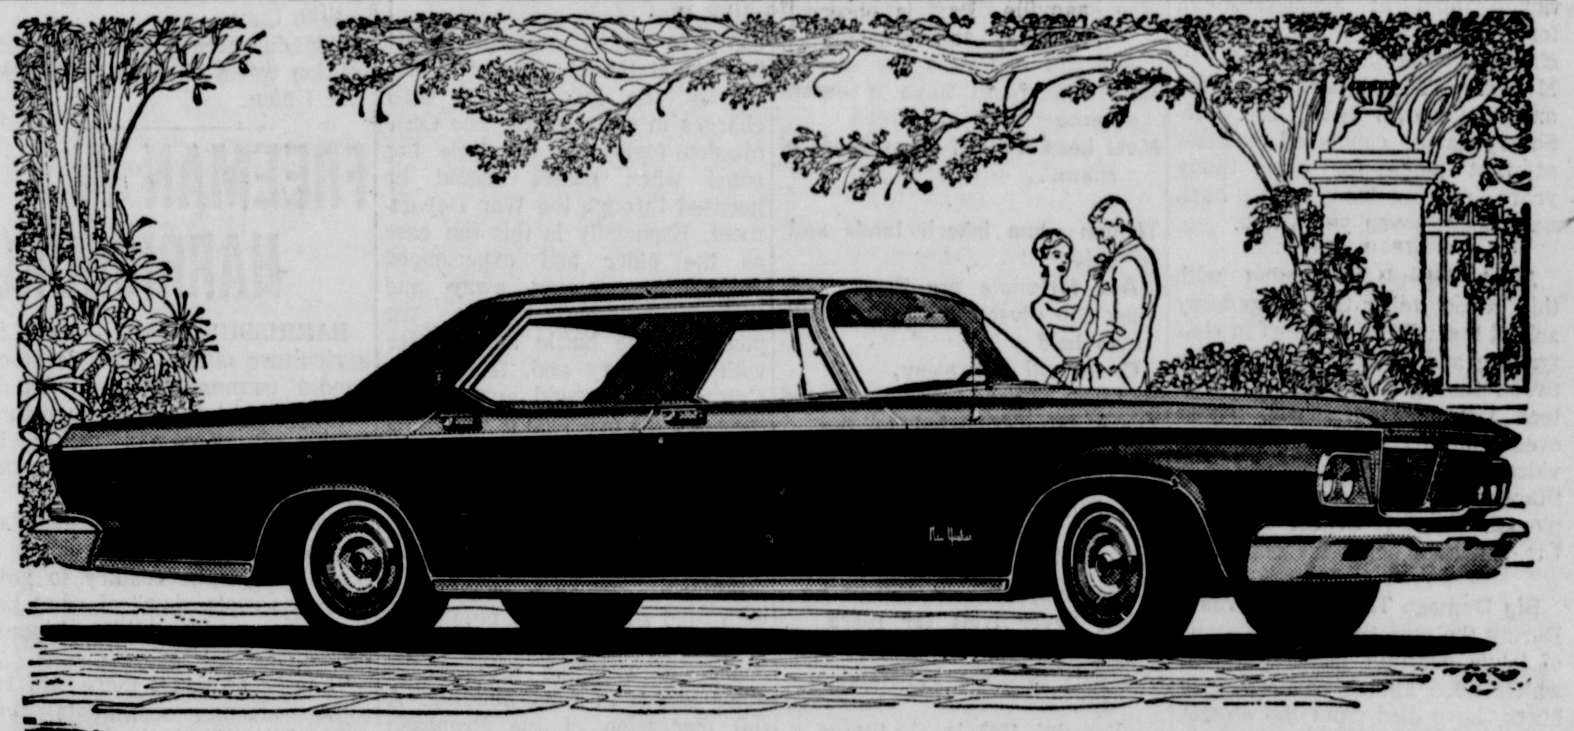

Plans were also announced for a flying club for the members. According to the announcement a number of the Howitzer Battery are already taking private flying lessons and arrangements are being made for the club to purchase an airplane.

The guardsmen were told that cash awards will be made to members bringing in new members during the current recruiting campaign. Each guardsman who secures a new member will receive \$5. If he brings in three new members he will receive the \$5 for each member plus a \$10 bonus, or \$25. The Howitzer Battery member who has brought in the most members by the end of the drive in February will also receive a prize of \$15 or a sleeping bag.

FIFTY YEARS AGO

Heavy Fire Loss at Biglerville:

The largest fire that Biglerville has witnessed for many years occurred shortly before seven o'clock Sunday morning when the planing mill of Emory Lawver was burned to the ground with all the contents, entailing a loss of \$8,000. That the fire did not consume several other buildings and a large quantity of lumber was due entirely to the quick and efficient work of the Biglerville fire company which was quickly on the scene and soon had several powerful streams of water on the big blaze. The planing mill was seen to be doomed and efforts were directed to save the other properties. In a half hour the fire was under complete control. It is supposed to have started in the boiler room where a quantity of shavings and small bits of wood were stored for fuel. With the planing mill there burned all the machinery of the place, including a \$1,000 machine installed within the past few weeks for the manufacture of chicken coops which Mr. Lawver had determined to add to his business.

Buys Hotel: Benjamin H. Elime, who has been conducting the National Hotel at McSherrystown for the past four years, has purchased the property from P. P. McSherry. The National is an old and well-known hotel. Mr. McSherry having conducted business at that place for over thirty years, retiring from active business about seven years ago.

Must Attend: Beginning with this school term the compulsory school law will be enforced in Gettysburg and all boys and girls between the ages of eight and sixteen must attend school. Those over fourteen are excused provided they have employment certificates and are regularly employed. Truant Officer Andrew Utz will then begin his duties.

Big Damage To Chestnut Trees: During the past two weeks dozens of large chestnut trees, some of which were almost covered with burrs, have died from the effects of the chestnut blight, which is fast destroying the chestnut trees throughout portions of the Blue Ridge Mountains. A few days ago the trees were very green and full of leaves, now they are barren with the exception of the chestnut burrs, which resemble small knots on twigs. They are exceedingly small and give little promise of maturing into anything near a normal shed nut.

Saw Six Deer: Thursday morning the passengers out of Caledonia park in the nine o'clock trolley were delighted with the gambols of six deer within easy view from the station along the Conococheague. For fully ten minutes the sportive animals freely played, cantering and leaping as if in a great athletic game. They were not affrighted by shouts nor the clang of the trolley gong. The Chambersburg Valley Spirit asks "Shall deer murderers go among them two months hence to main and slay?"

COSMIC LAW

Cosmic law will admit of no violations. The laws of Nature are self-enforced and they are never repealed. Another thing, Nature does not add to her statutes — like we humans, who pile so many laws on our books that their enforcement becomes impossible.

Nature's ways are simple, direct, positive. If we would look, with an open mind, upon all the evidences in Nature of harmony and cooperation of elements, we would simplify our lives to conform to such a procedure, and learn the most valuable lessons to be learned in life — those close at hand and nearest to where we may be.

Life was never meant to be complicated for us. Our own selfishness complicates it, and this brings on confusion.

Nothing is more inspiring than to look upon one single masterpiece of nature — and study it in all its moods. Each blade of grass, each shrub, each tree, each autumn leaf, is a law unto itself — but fathered and mothered by laws of the whole — or the cosmic ones.

We are one with Nature, for we are nourished by it, and we return to its warm, earthy arms, when our tasks are done, and the work for which we were created, is at an earthly end.

How happy we should be to be living in a land that is free and where liberty is in the inheritance of all! This inheritance, added to what we have in Nature, should make us feel our wealth every day of our lives.

Our poets are our singers. For their compositions they go to the fields, to the streams, to flower beds, to wild forests, to the ocean side, up to mountain tops and then back deep into the valleys where all is fertile, teeming with life and love, and happy adventure.

The cosmic law is the same, yesterday, today, and forever! Once we appreciate its protective power, we are happier, more useful human beings.

LUCK

Let cynics talk and poets prate, And preachers sermonize, There's but one roadway for the great,

One pathway for the wise, Despite the luck that's good or ill, One gets nowhere by standing still.

Who would have wisdom books must read, The skillful hand must toil, Who looks for flowers must plant the seed

And dig and rake the soil, And who would have a decent name Must keep himself from deeds of shame.

Though some inherit lands and gold, And fortunate are they, They still must work their wealth to hold

Or it will get away, Bad luck or good luck never found Those talents buried in the ground.

The fish are caught within the sea And never on the shore, A poor man he will always be

Who never tries for more, This truth exists and always will: One gets nowhere by standing still.

JUDY GARLAND SHOW CALLED ENTERTAINING

By CYNTHIA LOWRY
AP Television-Radio Writer

NEW YORK (AP)—The long-awaited and much-discussed "Judy Garland Show" arrived on CBS Sunday night and proved an entertaining, if extremely uneven, variety hour.

The entertainment was largely due to the debut of the star in weekly television. She seemed nervous, but in a merry mood. The problem areas were concentrated in what the producer designated as informal ad lib conversation. She was never nervous when singing but making television small talk is a real specialty and Miss Garland isn't Jack Paar — yet.

Generally, the show was gay, good-humored and had lots of tuneful singing and dancing. Guest star Donald O'Connor provided some first-rate support. Jerry Van Dyke helped out with the comedy, including an amusing but too-long monologue.

IT WAS FASCINATING

But the show was Miss Garland, slim and svelte. Even with the rough spots it was fascinating to watch.

Earlier in the evening a perfectly delightful little comedy series had its CBS debut. Called "My Favorite Martian," it is a sly and witty fairy story about a Martian scientist, studying this primitive planet who crash-lands his space ship in Southern California.

PHIL DISAPPOINTS

It would be pleasant to report that Phil Silvers lighted up the living room screen with his new CBS series as he did in the good old "Bilko" days. Truth to tell, Silvers' new version of the fast-talking lovable con man lacks something. Phil plays a brash smart-alec factory foreman and somehow it's not the same at all.

Friday night's "Great Adventure" series also had a CBS premiere. It was a rather plodding, labored story about a real, historic incident when a Confederate submarine — a primitive craft — sank a Yankee sailing ship. All the crew lost their lives in the exploit. Most of the drama focused on the problems the captain had in getting a chance at the enemy and concentrated on scenes of men suffering in the sub's airless innards. It was rather thick going for the viewers, too.

jectionable practices. The examination and licensing of all guides operating on the battlefield is suggested with the recommendation that the matter should be regulated by the War Dept. The report states that many complaints have come to the Commission from tourists at the absence of a control of the guides and their charges in many cases. The Commission feels that the time has come when guides should be licensed through the War Department. Especially is this the case as the older and experienced guides are passing away and their successors discuss the phase of the battle at variance with its history and, from their statements, it would appear that they had the privilege of the views of the commanders-in-chief of the armies here engaged.

Saturday evening prominent speakers acquainted with road subjects will present to citizens of Adams County facts connected with the progress of other States in road building. A meeting that will interest every voter whether in favor of or opposed to this plan.

DECISION ON USSR WHEAT BUYING NEAR

By MARTHA COLE

WASHINGTON (AP)—The big question of whether to permit the sale of wheat to the Soviet Union lies in the decision basket for President Kennedy, returning to his White House desk today.

Some high officials expect him to say yes.

The Russians have made no formal request to this country. But Soviet negotiators have been talking in Ottawa of deals for American grain. One report mentioned three million tons at \$250 million.

SOME OPPOSITION

Administration officials sounded out Congress last week on feelings about a grain deal with the Soviets. It is understood that there was some outspoken opposition. However, it is reported that the officials considered the burden of congressional sentiment to be in favor of it.

The government departments involved are expected to recommend a policy change to permit the grain sale when they meet with the President, probably Tuesday.

BARRED TO CUBA

Secretary of State Dean Rusk told newsmen in Cleveland, Ohio, Sunday night that the question would be resolved in a few days. He said any proposal to sell wheat to the Soviet Union will include a provision forbidding its resale to Cuba.

Canada recently sold some \$500 million worth of wheat to the Soviet Union.

FREEMAN IN HARRISBURG

HARRISBURG (AP)—A U.S. agriculture official predicts some candid comments will be made today when Agriculture Secretary Orville L. Freeman comes to Harrisburg for a public meeting with state farmers.

The gathering has been billed as one of 13 stops Freeman will make across the country to gain "a grass roots view" of what the farmers consider their biggest problems.

"I have no doubt there will be some strong sentiments expressed," said Anthony Disanto, program specialist in Harrisburg for the federal Agricultural Stabilization and Conservation Service.

About 1,200 farmers are expected to attend, with some coming from New Jersey and New York. Freeman is scheduled to address the group for one-half hour and then is to open the meeting up to questions from the floor.

Wynn is being taken off the active roster and his pitching days probably are over. "It's not in his mind or mine to reactivate him," said Tebbetts.

MEL HARDER IS REPLACED BY EARLY WYNN

CLEVELAND, Ohio (AP)—Baseballs take funny bounces, too. Ask Mel Harder, who was fired as Cleveland pitching coach and replaced by Early Wynn, the man he taught to pitch so well.

Harder was an institution in Cleveland—until Monday. Then Gabe Paul, the Indians' general manager, fired Harder, 53, who had been with Cleveland for 36 years, a record tenure in baseball.

The man Paul turned to was Wynn, 43, who came back this year to win his 300th major league game—and did it, although he lost two games along the way.

JOINED CLUB IN '28

"Early was reluctant to take the position with us only because he didn't want anyone to think he was seeking Mel's job," said Manager Birdie Tebbetts. "I simply told Early that Mel wasn't going to be with us next year in any case. And that if he wouldn't accept the offer to become our pitching coach, we'd bring in somebody else."

Harder joined the Indians in 1928 and posted a 223-186 record in 20 seasons as a Tribe pitcher. He was a player-coach in 1947, but had devoted full time to teaching since the 1948 season, when the Indians became world champions.

PITCHING DISAPPOINTED

"I'm checking out a few clubs," he said. "About four years ago, the Yankees and White Sox offered me a coaching position. Maybe somebody will want me now."

The Indians didn't give any reasons for the firing, but it's no secret that the front office has been unhappy about the Cleveland pitching staff.

Wynn is being taken off the active roster and his pitching days probably are over. "It's not in his mind or mine to reactivate him," said Tebbetts.

MAURY WILLS PLAYS "CASEY" IN ADAMS SHOW

By BOB THOMAS

AP Movie-Television Writer
HOLLYWOOD (AP)—"When you're in baseball, autographing is an art," said Maury Wills, shortstop for the National League champions, the Los Angeles Dodgers.

Wills was in the office of his manager autographing copies of his book, "It Pays to Steal."

"A ballplayer has to learn how to write his name on anything," he said. "You have to sign every size of paper; some kids tear a piece into small bits so each one can get an autograph. Signing a baseball is an art in itself."

FRINGE AREA

Singing autographs is one of the fringe areas of a big leaguer's life. Wills, the fleet base stealer, is appearing Oct. 10 on Edie Adams' ABC show, playing "Casey at the Bat" as it might be done in Kabuki style. Next month he and his folk singers co-star with Jane Powell for three weeks at the Sahara in Las Vegas.

"I'll play banjo and sing," said Wills. "I started playing the ukulele when I was in minor league ball in Spokane. A fellow player had one and he wanted a transistor radio, which was a prize for getting four hits in one game. When I won it, I traded him for the ukulele."

PLAYS GUITAR, BANJO

When Maury stepped up to the majors, he graduated to the guitar and then the banjo. "I used to play it on the bus after we won a game," he said.

He admitted that he and the six-man combo could get bookings all winter. But that would be a mistake, he said.

"These sidelines are fine for a ballplayer," he said. "But some guys get so busy with the sidelines that they forget their main job is to play baseball."

DOMINICAN PRESIDENT IS IN EXILE

SANTO DOMINGO, Dominican Republic (AP)—Ex-President Juan Bosch sailed into exile aboard a Dominican navy frigate today after charging the military coup that overthrew him was organized before his inauguration last February.

A high official source said Bosch would be landed on the French island of Guadeloupe, probably early today. With Bosch aboard the frigate Mella were his wife and Gen. Antonio Imbert Barrera, a leader of the military junta which removed the president from office Wednesday on charges he was soft on communism and his administration was chaotic.

Bosch was elected president by an overwhelming vote in the Dominican Republic's first free elections since dictator Rafael L. Trujillo took power more than 30 years ago.

ORGANIZED MONTHS AGO

Shortly before he sailed on the Mella Saturday night, the silver-haired ex-president gave a handwritten note to a friend, Miami publisher Francisco Aguirre. In it he said: "The coup was established technically after my

American Money Goes Abroad In Varied Forms Of Spending

is financially embarrassed in his dealings with the rest of the world because for several years he's been sending more dollars abroad than he has been getting back. And yet his exports of goods and services exceed his imports by around \$4 billion a year.

Some of the cause of the deficit lies in government policies. But not all of it. How then do all these billions of dollars flow out of the country?

COMMERCIAL IMPORTS

First there are commercial imports, now costing around \$16.8 billion a year, four per cent higher than a year ago.

Their total cost in dollars may rise still more as the country becomes more prosperous. Some imports are raw materials that U.S. industries will be chewing up. Some goods come in because they are cheaper than Americans

Bosch said he had asked Gen. Imbert Barrera and his wife to accompany him aboard the frigate because he distrusted the navy chiefs. He said Imbert Barrera and Gen. Luis Amiana Tio, another leader of the coup, were "the only persons close to the new government that have shown courtesy to me."

Bosch's ultimate destination was not known, but Puerto Rico appeared a likely exile home. He and Puerto Rican Gov. Luis Munoz Marin are friends.

Yankees Are Favored To Win Series; Koufax And Ford Will Be Starters

By JOE REICHLER
Associated Press Sports Writer
NEW YORK (AP)—The odds favoring the New York Yankees by 7-5 returned to normal today as did the reports on the temperance of Sandy Koufax, the Los Angeles Dodgers' brilliant left-hander who will pitch the World Series opener at Yankee Stadium Wednesday against Whitey Ford.

The odds began to fluctuate as rumors flew that Koufax, who posted a 25-5 record during the season, had come down with the flu. When the Dodgers arrived in New York late Monday night, Koufax said he never had the flu, only a slight cold.

"It's all over now," said Koufax.

VEXED WITH PODRES

Dodger Manager Walter Alton, asked about Koufax' cold, said briskly: "Tell them he'll pitch."

While Alton was expressing no doubts about his pitching ace, he was concerned about two others, third baseman Ken McMullen and veteran left-hander Johnny Podres, who became a questionable second game starter.

McMullen pulled a hamstring muscle last Thursday and has not played since. Alton thinks the youngster will be able to start but if he cannot, Jim Gilliam will switch over to third base and Dick Tracewski, a light-hitting, good-fielding reserve, will open at second base.

Alton was highly vexed with Podres' pitching performance against Philadelphia Saturday night. The 30-year-old left-hander, who shut out the Yankees in the final game of the 1955 World Series, was pounded for eight runs and 12 hits in 2 2/3 innings. Included were two home runs.

The Dodgers' late arrival enabled the Yankees to engage in a long workout during which Ford, lefty Al Downing and right-hander Jim Bouton took long turns pitching. The trio is expected to start all the games, even if the series goes the seven-game limit.

"Ford and Downing will pitch the first and second games here," said Yankee Manager Ralph Houk at the end of the workout. "It will be Bouton in the third game in Los Angeles."

"The club is in the best condition it's been all year," Houk said. "Mickey Mantle is running better than at any time since he got hurt and Roger Maris' back doesn't seem to be bothering him now."

POWELL WITH FIRST STRING

UNIVERSITY PARK, Pa. (AP)—Halfback Junior Powell, who equalled a Penn State record by catching nine passes last Saturday against UCLA, won a promotion to the first team for his effort.

Powell was running at first unit right half Monday as the Lions, defending Lambert Trophy champions, went through a full-dress workout in preparation for next Saturday's foe, Rice.

Gary Klingensmith, who was the starting right half, moved to left half in place of Bud Yost, who injured a knee slightly in the 17-14 win over UCLA.

Yost, who played end last season, worked out at the post Monday with the Lions' third unit.

Although the coaching staff has made no final decision, a team spokesman said there is the possibility that Yost may be kept at end in order to bolster the forces there.

GRIDDER FILES \$250,000 SUIT

DETROIT (AP)—Former tackle Gil Mains of the Detroit Lions brought a \$250,000 damage suit Monday against the National Football League club, a hospital and the team physician, alleging improper treatment of a knee injury suffered in 1961.

The suit, filed in Wayne (Detroit) County Circuit Court, named Detroit Osteopathic Hospital and Dr. Richard A. Thompson, team physician, as co-defendants with the football club.

Mains hurt his left knee in a game between the Lions and the San Francisco 49ers Oct. 1, 1961. He was treated at the hospital and later taken to the University of Michigan Medical Center for surgery.

Mains said he had three operations on the knee and is crippled permanently.

GHS RESERVES LOSE 13-6 TO CHAMBERSBURG

The Gettysburg High School junior varsity football team opened its six-game schedule here Monday afternoon by dropping a hard fought 13-6 decision to the Chambersburg reserves.

Chambersburg scored in the first period when Rowe ran 24 yards. A kick for the point was blocked.

In the third period the Warriors knotted the count on a nine-yard run by Perdue. The try for the point failed.

Wilkins blasted over from the one in the final quarter to give the Trojans the decision. Wilkins added the point on a run.

Coach Charley Lilley's Warriors will meet Littlestown next Monday evening at 8 o'clock under the lights at Littlestown. Admission for adults will be 50 cents and for students 25 cents.

MORE NEEDED FOR BOWLING IN REC SETUP

Approximately 100 students have registered for the Junior American Bowling Congress program which is supervised locally by the Gettysburg Recreation Dept.

Registration will be kept open for the remainder of this week with students registering at Edgewood Lanes or at the recreation office in the junior high school building.

The Junior-Senior Division for 13- to 18-year-olds is about filled with only two teams needed to complete a full 16-team league. The Bantam League can accommodate 25 additional students in the 7- to 12-year-old bracket.

Since the Bantam League can still accommodate quite a few younger boys and girls, interested parents are urged to call either Edgewood Lanes or the rec office for complete details on registration and league competition.

Both leagues will open on Saturday, with the Junior and Senior Division teams bowling from 9 to 11:30 a.m. and the Bantam League from 12:00 to 3 p.m.

HENS HOST TO BULLETS FOR HOME-COMING

NEWARK, Del.—The University of Delaware Blue Hens, 1-0 after an opening 30-0 victory over Lehigh last Saturday, will meet the Bullets of Gettysburg College Saturday at Delaware Stadium in a Middle Atlantic Conference game.

Coach Gene Haas' Bullets have already played three games. Unbeaten Buffalo walloped them 34-0, Bucknell had to scramble in the fourth quarter to beat them 19-7 and Juniata became their first 1963 victim by an 18-14 score last Saturday.

Delaware lost no one due to injury after the Lehigh game and may be strengthened by the return of first-level right guard Don Burawski 6-0, 210 and second-level left halfback Bill Hopkins who will add speed to the Hens' backfield complement. Burawski and Hopkins missed the opener because of a dislocated shoulder and sprained ankle, respectively.

The game will be the highlight of Homecoming Day festivities at Delaware. Although the Hens are heavy favorites to win their second MAC contest, Coach Dave Nelson emphasized Gettysburg's reputation as a "spoiler." The Bullets upset two Nelson teams during the 50's and have twice surprised favored Temple squads in the past two seasons.

SECOND ROUND OF BOWLING TOURNAMENT HELD

The second round of matches in the Adams County all-star bowling tournament was held Sunday evening at the Hanover Bowling Center.

Third and final week of the county eliminations will be held next Sunday evening at 7:30 at Bankert's Lanes, Littlestown. The top four men and two women in the county tournament will advance to the District 5 playoffs, the first day of which will be in Lebanon County on Saturday, October 12, and the second day on October 13, at Edgewood Lanes, Gettysburg-Emmitsburg Rd.

Standings following the second week of competition follow:

Women — Dolores McKim, 177 high average, 213 high game; Shirley Jenkins, 168, 197; Ornetta Mehl, 157, 181.

Men—Charles Bealing, 191 high average, 227 high game; George Staley, 185, 234; Charles Gummel, 184, 227; William Dayton, 181, 202; Donald Bowman, 180, 234; Austin Garrett, 176, 211; Norman McKim, 176, 204; William Frock, 175, 209; Robert Roth, 174, 208; Jerry White, 173, 203; Les Michener, 173, 202; Jack Waybright, 168, 198.

FLORA RAGES IN CARIBBEAN

MIAMI, Fla. (AP)—Flora, labeled the most dangerous hurricane of the season, raged in the Caribbean with top winds of 110 miles an hour today. Emergency supplies were being sent to her first victim, the Robinson Crusoe Island of Tobago.

Damage to Tobago and her 40,000 residents, just off the coast of Venezuela, probably ran very high, the weather bureau said. Communications were cut and one of the few reports to get out simply said damage was extensive.

"This is by far the most dangerous storm of the season, tightly knit and concentrated," said forecaster Gilbert Clark of the National Hurricane Center at Miami. "It is going to have to hit land somewhere before it can get

Banks Forecast Good '64 Season

CHICAGO (AP)—Ernie Banks, the Chicago Cubs' slugging first baseman, figures to be as good as new when the 1964 season rolls around.

Banks, one of the Cubs' all-time sluggers, suffered the worst season of his 10-year career during 1963 when he finished with a .227 average with 18 home runs and 64 runs batted in.

The 32-year-old Banks was out of the Cub line-up during the final month of the season.

Extensive examinations by Dr. Jacob Suker, the club physician, revealed that Banks had a subclinical mumps condition in addition to a blood infection. It all meant that Banks was run down. "I'll be ready when the whistle blows next season," said Banks.

SUSQUENITA FOE OF GHS HERE FRIDAY

Only Gettysburg and Delone Catholic High Schools have football games scheduled for Friday evening, the other three county schools having Saturday contests. Coach Don Young's Warriors (1-3), vastly improved despite losing to Camp Hill Saturday, take on Susquenita (0-4) here Friday in a Blue Mountain League game.

Delone, also 1-3, oppose undefeated Carlisle (0-3) at Carlisle. The three other county grid squads will be on foreign fields Saturday.

In an afternoon game Bermudian Springs (0-3) tangles with St. Francis Prep (1-2) at Spring Grove.

The night games at 6 o'clock have Biglerville (1-1-1) at Shippenburg (1-3) in a Blue Mountain contest and Littlestown (2-1-1) at Dallastown (1-3) in a York County League scrap.

Wins 3 Firsts In Horse Show Sunday

Cherry Swope, Gettysburg, won three first places in the annual Silver Star Saddle Club Horse Show held Sunday on the farm of W. R. Sellers, Franklin County.

The first places were taken by Pet in the saddle pony division; Prince, in the children's harness pony class, and Top Notch Lady's Prince, harness pony.

BIGLER SCRUBS RALLY TO NIP SQUIRES 13-6

Biglerville High School's junior varsity football team came from behind to score a pair of touchdowns in the final three minutes of play to defeat Delone 13-6 Monday evening at McSherrystown.

Delone pushed the Cannons all over the field throughout the first half and took a 6-0 lead early in the second quarter when Dan Smith fired an eight-yard screen pass to Ken Wierman. A run for the point was stopped. The Squires had initiated the TD drive late in the first period on the Biglerville 30 where a fumble was recovered.

Don Sterner's scrappy Cannons blocked a Delone punt to gain possession on the Squires' five in the third period and then spent a frustrating quarter deep in Delone territory, unable to score despite 12 offensive plays within the 20-yard line.

HARTMAN MAKES STEAL
Dick Hartman, end for Biglerville, made a steal of a Delone fumble late in the final quarter. With three minutes remaining Larry Dennis connected with Dick Hartman on an 18-yard pass for a score to tie the count. A run for the point was stopped.

Biglerville kicked off and held. After securing possession Dennis and Hartman teamed up for a 24-yard TD pass and Bob Cover kicked the point with eight seconds left. Following the ensuing kickoff Cover intercepted a Squire pass to bring the game to an end.

Biglerville, now 2-0, will meet Northern at Biglerville next Monday. Delone, 0-3, is idle until October 17 when it hosts Carlisle.

The lineups:
BIGLERVILLE
ENDS: Hoffman, D. Hartman
TACKLES: Wycoff, Warner, Lupp
GUARDS: Gochenauer, J. Hartman

Touchdowns: Biglerville, Hartman 2; Delone, Wierman. PAT, Cover, run.

OKLAHOMA IN TOP SPOT IN AP GRID POLL

By JOHN CHANDLER
Associated Press Sports Writer

The Oklahoma Sooners, who have gone through a seven-year drought since their last championship team, took over first place by a landslide today in the second Associated Press weekly poll of the nation's Top Ten football teams.

Oklahoma, which defeated the 1962 national champion Southern California Trojans Saturday 17-12 in blistering 105-degree heat at Los Angeles, vaulted from third to the No. 1 rating by polling 36 of the 53 first-place votes from a special panel of sports writers and broadcasters.

The Trojans, who received 23 first-place votes a week ago, slid to eighth place. Arkansas, No. 8 last week, dropped out after being defeated by Missouri 7-6.

RATINGS JUGGLED

While Alabama remained in the challenging No. 2 spot, and other teams were slightly juggled in the ratings, Mississippi edged back into the picture at the No. 10 spot after blasting Kentucky 31-7. Ole Miss, rated No. 2 in the opening poll, had dropped from the first ten after being held to a scoreless tie by Memphis State.

Coach Bud Wilkinson's Oklahomans, who ranked No. 8 in the 1962 final season poll, received 495 points in the latest consensus, based on 10 points for first, nine for second, etc.

The top ten, with first-place votes in parentheses:

Team	Points
1. Oklahoma (36)	495
2. Alabama (9)	402
3. Texas (2)	365
4. Wisconsin (1)	299
5. Northwestern (1)	264
6. Navy (2)	248
7. Georgia Tech (2)	220
8. So. Calif.	163
9. Pittsburgh	114
10. Mississippi	45

LOMBARDI IS PUZZLED MAN

GREEN BAY, Wis. (AP)—Green Bay Coach Vince Lombardi is a puzzled man. He is unable to explain the sudden outbreak of game errors by the Packers as they strive for a third straight National Football League championship.

"I can't understand it," Lombardi said Monday in reviewing statistics of the Packers' two victories and one defeat.

"We've been a team that has made very few mental and physical mistakes. This year we have had a flock of them. If we continue like this, it's going to catch up with us. We've been stopping ourselves and this must end."

Enroute to the NFL title with a 13-1 season record last year, the Packers had the fewest passes intercepted — a mere 13 — and lost the ball on fumbles just 15 times. In three games this season, they have surrendered the ball on nine interceptions and five fumbles.

Green Bay gave up three fumbles, two and two pass interceptions Sunday, but managed to pull out a 31-20 victory over Baltimore.

Decision Soon On Baltimore Broncos

BALTIMORE (AP)—A decision is expected later this month on whether the Baltimore Broncos of the Atlantic Coast professional football league will stay here or move to Hazleton, Pa.

President Joe Bartlinski, who also coaches the team, said Monday, "We have a good offer from Hazleton. It is right in the middle of Pennsylvania football country, has a fine high school stadium that seats 8,000 and has permanent lighting."

Poor attendance is behind Bartlinski's thoughts of moving, he said. He said a decision would be made by Oct. 19.

COACH LEVY OK'S NEW RULE

SAN FRANCISCO (AP)—California football Coach Marv Levy likes the new substitution rule. This is what you call news.

Seems he's the only coach in the state who does.

University of the Pacific coach John Rohde calls the new rule "stupid and idiotic."

Southern California Coach John McKay declares:

"We are through with the three-unit system. We cannot use it under the new rule."

John Ralston of Stanford says flatly he favors returning to unlimited substitution rules of a few years ago.

The new rule restricts substitutions on first and fourth downs, and when the clock is moving. It has eliminated the long lines of players who checked in with officials last season. So officials are not bookkeepers any more.

RED HICKEY QUILTS 49ERS HAD 10 LOSSES

SAN FRANCISCO (AP)—Red Hickey is out, Jack Christiansen is in but the question is the same: Can the San Francisco 49ers win in the National Football League.

Hickey, the fiery redhead who starred at Arkansas and played end for the Los Angeles Rams, quit Monday in the wake of a 45-14 loss to the Minnesota Vikings.

Hours later Jack Christiansen, out of Colorado State and a six-year All-Pro with the Detroit Lions defensive secondary, was named in Hickey's place. Christiansen joined the 49ers in 1958 as coach for the defensive backs, the same season Hickey took over as head man, relieving Frankie Albert.

10 STRAIGHT LOSSES

Hickey said he had considered the move for a couple of weeks "unless we started winning." The loss string stands at 10 straight—two from last year's regular campaign, five exhibition games and three regular games this year.

When the Vikings buried his apparently demoralized squad Sunday in Minnesota, Hickey told President Vic Morabito he wanted out now. Morabito announced tersely Hickey's resignation was accepted.

Later, at a news conference, Morabito emphasized Christiansen's appointment was for only the remaining 11 games this year. He denied he was thinking in terms of Paul Brown or Y. A. Tittle for the future as the possible 49er head man.

TRADED TITTLE

Brown was ousted by the Cleveland Browns last year and is said to be smarting to get another shot in the NFL. Tittle was traded by Hickey to the New York Giants because "he was obsolete." Since then Tittle has become the Giants' mainstay and 49er fans have been riding Hickey for letting him get away.

Christiansen, now 34, said the current 49ers had some good players and that he could produce some victories. He said he would use basically the same system.

To 49er fans it was all a familiar story. After 14 seasons, the 49ers have not yet as much as won a divisional title in the NFL. Ticket sales are down, the fans who show up boo lustily and quarterback John Brodie has a sore arm.

WASHINGTON (AP) — In the news from Washington:

NEGRO VOTING: Negroes do not vote in a bloc, says one of their leaders, Roy Wilkins. "They'll vote for anybody who will treat them right," Wilkins said Sunday, and added that members of this race favor reelection of President Kennedy because he "is doing something for them."

Wilkins, executive secretary of the National Association for the Advancement of Colored People, was interviewed on a nonnetwork television program, "Youth Wants to Know."

Of Sen. Barry Goldwater, a possible Republican presidential candidate, Wilkins said there would be "great apprehension" among Negroes if the Arizonaan brought into the White House certain views expressed in his book, "The Conscience of a Conservative."

Wilkins attributed to Goldwater the view that "states' rights should take precedence over federal action, and that the civil rights question should be left to the states."

REACTOR: What would happen if a missile-borne nuclear reactor plunged into the sea after a launching failure?

Atomic Energy Commission scientists are going to try a realistic test to find out. Instead of the ocean, they will use a water tank inside a building on the Idaho desert, sometime in November.

A 750-pound reactor will be immersed in the tank and deliberately destroyed while the scientists watch from a test building 1½ miles away.

The test is to help determine whether the world's first satellite using nuclear-powered instruments can be launched as planned next year without any possible hazard to the public.

GOLDWATER: Sen. Barry Goldwater, in an apparent change of mind, has decided to make a speech Oct. 29 in New Hampshire, where the nation's first presidential primary election is scheduled in 1964.

Goldwater has previously indicated he would not visit New Hampshire this year.

NEWLYWEDS TO STAY IN IOWA

DES MOINES, Iowa (AP) — Mary Lee Davis, 15-year-old niece of Princess Grace of Monaco, and her husband, John Paul Jones Jr., 18, settled down in this city Monday after a one-day honeymoon.

Jones, son of a prominent Philadelphia architect, returned to his job as an encyclopedia salesman. He said he plans to try to make good at his job.

The couple was married Saturday in a private ceremony at St. Paul's Episcopal Church with members of their Philadelphia families and a few close friends present. Mary Lee's mother, Mrs. Margaret Conlan, sister of Princess Grace, did not attend.

Mary Lee is Roman Catholic, Jones an Episcopalian.

Where the couple went on their one-day honeymoon Sunday was kept secret.

The couple had been missing from their Philadelphia homes for a month before they were located in Des Moines.

"We plan to stay in Des Moines quite a while," said Jones.

The young bride, who was a flower girl at the wedding of Princess Grace and Prince Rainier of Monaco in 1956, said she doesn't plan to work for the time being.

HAVANA (AP) — Cubans appreciate Russian aid but they must not rely on it too heavily, says Prime Minister Fidel Castro.

He called on his countrymen to work harder so Cuba can cut back on Soviet aid and ease a \$100 million balance of payments deficit to the Russians.

Castro made the plea in a rambling outdoor address Saturday night in which he again unleashed a broad attack on the United States.

A mysterious explosion interrupted Castro at one point, but the Cuban leader remained unruffled. "Don't worry," he told the throng. "It doesn't matter if it is a bomb."

CARACAS, Venezuela (AP) — Authorities Sunday arrested five men and five women several hours after a band of pro-Communist terrorists, posing as tourists, fought a gun battle with national guardsmen aboard an excursion train 20 miles from Caracas.

Five guardsmen were killed and six passengers, including several children, wounded.

Those arrested were believed to be members of the pro-Communist Armed Forces of National Liberation (FALN) which has been waging a continuous terrorism campaign against the regime of President Romulo Betancourt.

Nature Lays First Coat Of Color On Countryside To Create Fall Paradise

Mother Nature, wielding a wide brush, within hours over the weekend laid the first fall coat of color on the countryside to transform Adams County into an artist's paradise.

Yellow and reds began to show considerably Friday afternoon and Saturday, but Saturday night's rain brought out a new brilliance by Sunday afternoon.

MOTORISTS VIEW SIGHTS
Motorists by the thousands took advantage of a combination of fair skies, late summer sun and comfortable breezes Sunday afternoon to view nature's spectacle of the third season. The foliage near Gettysburg was at its peak of mixed greens, golds and reds while the upper areas of the county displayed the beauty of red and gold apples on fruit trees still green. The heavy rain Saturday night and Sunday brought back the green to sod covers to provide an unusual fall sight.

Typical of the annual fall transformation are discussions on the cause of fall colors but experts are agreed generally that rainfall during the summer and early fall play a vital part in the process.

EXPLAINS COLORS
A Cornell University conservation specialist, Prof. John I. Green, announced last week in Ithaca that generally "if the weather is dry leaves are more colorful because red pigment formation is hastened." He pointed out that cool nights slow the leaf processes and the colors reflect a slowing down activity.

As the greens disappear, yellows and oranges take over. Prof. Green says the brilliant colors were there all the time but were hidden by the green chlorophyll. Red is manufactured when fall arrives and is built up from the presence of sugar in the leaves.

When the nights turn cool and the leaf processes slow down, nutrients flow out of the leaves and sugar accumulates. The reds come first in the valleys, the professor says.

Soil differences also play an important part in the fall colorings. Nitrogen deficiencies favor the manufacture of red pigment and may explain why two nearby trees have different amounts of color. Prof. Green also says that a difference in genes also creates a color variance and adds that different species have their own fall color characteristics.

BRILLIANT REDS
In Adams County the most brilliant reds this weekend were found in gum, poison ivy and dogwood. Flaming oranges were found in sugar maples and some oaks were tinged from yellow to deep orange and brown. The delicate greens of willows added to the brilliance of the fall scene by complementing the reds and yellows of surrounding trees.

While the "specialists" speculated on the chemical effects, hundreds of rain-starved residents of the area were satisfied that the much-needed rains had merely washed the heavy summer dust from the trees so that the colors could be seen.

EXPLAINS WHY BIBLE READING OUT IN SCHOOLS

LEBANON, Pa. (AP)—U.S. Rep. John C. Kunkel sought Monday to abate student resentment in Lebanon against the U.S. Supreme Court ruling outlawing mandatory Bible reading in public schools.

The Harrisburg Republican, whose district includes Lebanon County, appeared before a special assembly high school of students and visitors to discuss the ruling.

FOLLOWED DEMONSTRATION
His appearance was prompted by a protest demonstration last week by 126 of the students protesting the decision.

Regardless of their personal convictions in the matter, Kunkel said, school directors take an oath to uphold the U.S. Constitution.

Thus, he said, they must agree to discontinue Bible reading in line with the court decision and a later opinion by state Atty. Gen. Walter E. Alessandrini that even a voluntary religious exercise would be in violation of the ruling.

ONE HOLDOUT
However, Kunkel added that he is in support of a constitutional amendment which would guarantee students the right to recognize God at the opening of the school day.

Besides the students, the audience included representatives of the Cornwall-Lebanon Suburban, Eastern Lebanon County and Northern Lebanon County school districts as well as six of the eight members of the city school board, city school administrators and representatives of the county P.T.A. council.

Some school boards voted to continue Bible readings, but all except the Cornwall-Lebanon Suburban school board subsequently voted to discontinue them.

PA. TAKES OVER COUNTY OFFICE

HARRISBURG (AP)—An independent audit has prompted the state Revenue Department to assume the functions of Miles C. McWhorter, Westmoreland County register of wills and collector of state inheritance taxes.

The action was announced Monday by Revenue Secretary Theodore B. Smith Jr., who said the audit was made by Price Waterhouse & Co., a Pittsburgh accounting firm.

Smith would not, however, elaborate on what a preliminary report of the audit showed.

McWhorter's office said the official would have nothing to say on the matter.

Price-Waterhouse said it had no authority to comment.

McWhorter has been the county's register of wills since 1944.

Smith also named Walter O. Minter, York County, as the Revenue Department agent to collect the county's inheritance taxes due the state.

Two Men Killed In Freak Mishap

LEWISTOWN, Pa. (AP)—A sudden gust of wind is believed to be the cause of a freak accident Monday which killed two men and hospitalized a third while they were working on a bridge construction job at Lewistown.

The men were working on a wooden form to hold concrete for a section of a bridge on the Lewistown by-pass off Route 76 on the western edge of the borough.

Authorities said a sudden gust of wind toppled the form on the men.

The victims were Richard Yeater, 29, Lewistown, killed outright and Dores L. McDonnell, 56, Pennsboro, W.Va., who died at Lewistown Hospital a short time after the 10:30 a.m. accident.

Littlestown GIVES WARNING ABOUT PRANKS

Mayor Earl L. Stites has issued a statement relative to complaints already received about Halloween pranks. The mayor said that anyone who is caught doing damage to property or performing any other so-called prank which is unlawful, especially the soaping of motor vehicle windows or windshields which is in violation of the motor vehicle code, shall be prosecuted.

The mayor said he expected children to have fun during the Halloween period and requests that parents cooperate by prohibiting the children from indulging in unnecessary destruction of property. Mayor Stites specially requests that "tricks or treats" be limited to October 28 through 31.

BOY LOSES HIS MANGLED ARM

READING, Pa. (AP)—Surgeons removed today the left arm they tried unsuccessfully to rejoin with eight-year-old Philip Luckenbill.

The arm was taken off in emergency surgery just above the elbow about where it had been severed in a farm accident and then rejoined Saturday.

The physicians said there were signs gangrene was developing and the arm had to come off for the boy's safety. Gangrene develops when circulation of the blood is cut off or restricted.

When the arm was first re-joined, physicians reported a pulse and other signs that circulation was restored. But they didn't know if the operation was completed soon enough to prevent deterioration. Monday they reported no pulse was detected.

The boy's arm was severed Saturday when a sleeve caught in a corn-picker on the nearby farm of his father, Clarence Luckenbill.

HOME LUNCHES WITH GROMYKO

UNITED NATIONS, N.Y. (AP)—Britain's Foreign Secretary Lord Home carries the ball in the Western probe of Soviet intentions at a luncheon talk today with Soviet Foreign Minister Andrei A. Gromyko.

Western diplomatic sources speculated that Gromyko is in no hurry to push for a solution of East-West problems because his government is preoccupied with internal difficulties and its dispute with Red China.

They said, however, that Gromyko might bring up with Home today, or with Secretary of State Dean Rusk Wednesday, the Soviet proposal for a nonaggression pact between the North Atlantic Treaty Organization and the Communists' military bloc in Eastern Europe.

Gromyko didn't mention this Soviet idea in his first discussion here with Rusk and Home Saturday. He is to talk further with Rusk at dinner Wednesday night. The three foreign ministers and the heads of their U.N. delegations dined at the U.N. Monday night as guests of Secretary-General U Thant. No announcement was made after the dinner.

track at Philadelphia brought the state's take from pari-mutuel betting to \$2,527,366 to date.

Of that, \$450,459 came from the first 18 days of a 50-day meeting staged at Liberty Bell by William Penn Racing Association.

Previously a 50-day meeting was held at Liberty Bell by the Liberty Bell Racing Association and another 50-day meeting at Meadows Track in Washington County.

"Nonpolitical" Trips By President Fictional

By J. W. DAVIS

WASHINGTON (AP) — One of the more entertaining fictions in the legends of Washington is that a president can take a nonpolitical speaking tour across the country.

For the president is not only president, he's the chief of his political party. And, likely as not, he intends to run again. It follows that almost anything he does or says is looked upon as political.

This didn't start with President Kennedy's 10-state Western trip. Just think of his immediate predecessors — Dwight D. Eisenhower, Harry S. Truman, Franklin D. Roosevelt — they all indulged in the nonpolitical trip with political aspects.

EIGHT NIXON STATES

When Kennedy's itinerary was announced, it could hardly be overlooked that eight of the states he was visiting went for Republican Richard M. Nixon in 1960.

Nor could it be overlooked that conservative strength is perhaps growing in these states, and their electoral support could be crucial in the 1964 election.

The Kennedy trip was billed as one devoted to conservation, rather than politics.

Last Tuesday, Gov. George Romney of Michigan accused Kennedy of playing politics in a meeting of representatives of Great Lakes states at Duluth, Minn.

It was a meeting called to consider conservation and economic developments. But, Republican Romney complained, the man he sent there wasn't even allowed on the platform. Instead, he said, Michigan was represented by a Democrat.

PRaises DEMOCRATS

For another example, Kennedy spoke warmly in Wyoming of Sen. Gale Magee, Democrat who faces a fight next year. He had similar praise in Montana for Sen. Mike Mansfield.

In Salt Lake City, a Kennedy attack on certain foreign policy ideas was widely interpreted as an attack on the views of Sen. Barry Goldwater of Arizona, a possibility for the 1964 GOP presidential nomination.

Kennedy's nonpolitical trip called to mind a similar one taken by President Eisenhower in October 1960. Eisenhower wasn't running himself, but he wanted Nixon to succeed him.

EISENHOWER TOUR

Eisenhower was greeted in California by the Democratic governor Edmund G. Brown, who told him: "Don't do too much for Mr. Nixon."

Smilingly, Eisenhower replied: "This is a nonpolitical trip, but I'll do all I can to see that Nixon is elected."

Another president who got fun out of such a situation was Harry Truman. In June 1948 he set out on what the White House described as a "nonpolitical, bipartisan trip."

TRUMAN QUIP

That tag didn't last long. Truman told a crowd in Ohio, before the journey was hardly under way: "On this nonpartisan, bipartisan trip that we are taking here I understand there are a whole lot of Democrats present."

Ordinarily, the opposition doesn't get too exercised when a president chooses to call a trip nonpolitical. There was a sharp exception to this in 1944 when Roosevelt ran for a fourth term, against Republican Thomas E. Dewey. Roosevelt announced he would not run "in the usual partisan, political sense."

Then he set out on a series of

"inspection visits" all the way across the country, making appearances before thousands at military installations and defense plants — as commander in chief.

East-West

The United States and Russia are quietly negotiating a treaty under which consulates would be opened in cities outside each other's capital. The arrangement would figure in any increased U.S.-Soviet trade.

President Kennedy may call in his top advisers to discuss possible wheat sales to Russia. A policy decision may be announced before the week is over.

Washington

Kennedy administration leaders abandon efforts to speed Senate Finance Committee action on the tax cut bill. This retards its chances of passage this year.

Gangster Joseph Valachi resumes his testimony against his old underworld pals. Officials say police statements will back up his story.

International

President Ahmed Ben Bella seeks to rally the Algerian masses to oppose a Berber mutiny in the army.

Our quotable notables: "I have no use for a man who lies in bed after nine o'clock in the morning." — Henry R. Luce.

Rain one night forced most of them to move indoors.

Hugh C. Cutler, executive director of the Garden, said, "Three or four young fellows got pretty wet but the majority are experienced and can dress under a sleeping bag and come out looking pretty good."

Small fry: Comedienne Marion Powers tells about the little girl who prayed, "Please, God, make three times two equal seven — 'cause that's what I wrote on my exam paper in school."

White plague: Many people erroneously believe miracle drugs have solved the problem of tuberculosis, a scourge through the centuries. Actually, it is still one of the most widespread human ills, afflicting some 50 million people throughout the world, and killing 10,000 yearly in the United States alone.

Patience test: Researchers have found that most people don't mind waiting 30 seconds for an elevator, but as the interval approaches a minute they begin to fuss and fume.

It was Arthur Brisbane who observed, "It's a good thing to know how to satisfy your own conscience and make the cash register ring also."

BOYLE'S Grab Bag

By HAL BOYLE

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

More middle class wives are now holding jobs outside the home. In more than half the families with income from \$7,000 to \$15,000 yearly, the wife works at least part of the year.

The average working girl is getting older, too. Half of the 25 million women in the U.S. labor market are over 40.

TWO INCHES TALLER
Here's why so many parents look up to their children these days: Young people are about two inches taller than those of 60 years ago.

Teen-age mommy: Almost 40 per cent of U.S. brides now marry in their teens. Over half of them become mothers before their 20th birthday.

Betcha never knew this: Men's fingers are approximately 10 per cent longer and 20 per cent wider than ladies' fingers.

Our quotable notables: "I have no use for a man who lies in bed after nine o'clock in the morning." — Henry R. Luce.

MORE TO REACH 80
Know your language: The word "sincere" is said to come from two Latin words, "sina" and "cere," meaning "without wax."

Remember when it was being predicted that man soon would be able to live 150 to 200 years? Many scientists today doubt this is a possibility in the foreseeable future, but think that better medicine and hygiene will enable more of us to live to be 80.

Small fry: Comedienne Marion Powers tells about the little girl who prayed, "Please, God, make three times two equal seven — 'cause that's what I wrote on my exam paper in school."

White plague: Many people erroneously believe miracle drugs have solved the problem of tuberculosis, a scourge through the centuries. Actually, it is still one of the most widespread human ills, afflicting some 50 million people throughout the world, and killing 10,000 yearly in the United States alone.

Judge Favors Noisy Parrot

ZANESVILLE, Ohio (AP) — When Polly wants a cracker she has every right to ask for it, according to a judge's ruling.

The parrot's owner, James A. McIntire, was arraigned on a disturbing the peace charge. A neighbor claimed Polly disturbed the peace by whistling, screaming and hollering day and night.

The judge threw out the case on the grounds that the law specifies that a disturbance of the peace may be caused only by the use of horns, bells, radios or other instruments and devices.

Parrots do not qualify.

Turns Dairy Farm Into Public Park

LAFAYETTE, Ala. (AP) — J. C. Sharpe turned a dairy farm into a recreation center, became the pro at his own 18-hole golf course and hasn't regretted the change for a minute.

The 240-acre playground features everything from homemade rides to softball diamonds. School and church groups, clubs and family reunions kept the place overflowing this year and the facility is already booked for every weekend next summer.
